ACKNOWLEDGEMENT

It is with great pleasure and sense of satisfaction that we present our project title **"Sentiment Analysis of Twitter Data Using Python"**, we would like to hereby acknowledge and thank all those who helped us.

We humbly acknowledge Almighty Allah for everything without whose support and blessings, this project would have been impossible to complete.

We take immense pleasure in thanking **Dr. Mousmi Ajay Chaurasia, Head of the Department** for having permitted us to carry out this project work.

We would like to express our sincere gratitude to **Ms. Farha Nausheen** Assistant Professor, Department of I.T., Muffakham Jah College of Engineering and Technology, our project guide who has moderated us and provided us moral support and encouragement right through completion of this project.

Finally, we express our hearty gratitude and thanks to all our **Friends and Benefactors** who have contributed their ideas, time and energy that have significantly contributed in the finalization of our project **Sentiment Analysis of Twitter Data Using Python.**
